

The North Kingstown Leisure Services Advisory Committee in collaboration with the North Kingstown Recreation Department, announces the Al Southwick Sports Patch Contest.

The contest will be run through the North Kingstown School Art classes and the North Kingstown Recreation Department from October 15th until January 31st at 4:00pm.

The logo needs to incorporate a clean, simple design of your favorite memory of Al or how you would explain Al and his influences within a design. The patch must be 3x3 and incorporate "AS" Al Southwick's Initials somewhere within the design. No other words or letters should be in the design.

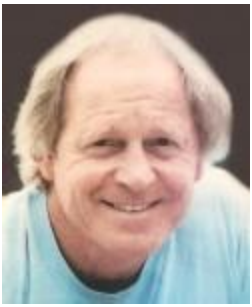

The LSAC will narrow the entries down to three finalists; there will then be a one-week poll on the North Kingstown website for the public to vote and select the winner.

The Patches will be sourced and screened and will then become a part of all our sports Jerseys for our Recreational Leagues. Patches will also be for sale in the North Kingstown Recreation Department for purchase for you to attach to your own gear or have for a keepsake!

This collaborative effort by LSAC and the Town is designed to showcase local artistic talent and to keep Coach Al's influences alive and within our programs in North Kingstown.

For additional information, please contact Chelsey Dumas-Gibbs, North Kingstown Recreation Director, cdumas@northkingstown.org or 268-1540.
