<sup>1</sup>A certificate of insurance is a document verifying the existence of insurance. Certificates of insurance are commonly issued free of charge by insurance carriers, agents and brokers when requested by the Insured. These certificates offer a summary of the insurance policies held by the insured.

<sup>2</sup>Performance bond shall be held in its entirety for a minimum of One Hundred and Eighty (180) days from the date of the final satisfactory inspection of the completed project, at which point it may be reduced to Fifty (50%) percent or \$500.00 (whichever is greater), and be held for a period of one (1) year from same completion date and be designated as retainage and used as a warranty for the work performed.
