

ASSET MANAGEMENT COMMISSION

09/28/17

(3 year term)

The purpose of the commission shall be to review all capital improvement and asset protection requests related to Town and School facilities, establish their priorities, determine funding levels and formulate a comprehensive capital improvement program and an asset protection plan to be presented to the Town Council. The commission shall be responsible for projecting major expenditures needed to maintain existing municipal and school facilities, projecting new public facilities and reviewing the five-year, ten-year, and twenty-year capital improvement and asset protection programs. To develop fiscal programs, generate innovative financing options and seek creative alternative funding for capital improvement projects and asset protection projects for both the Town and School facilities.
