

NORTH KINGSTOWN RECREATION SUMMER BAND PROGRAM 2017

We are pleased to be able to provide a summer band program for beginner to intermediate level students this year. Michael Iadevaia, the band and strings teacher at Wickford Middle School will conduct the program on Tuesday nights at the Cold Spring Community Center. Students already playing instruments through the schools or private instruction are encouraged to join. As we all know, practice over the summer is strongly recommended and this will hopefully make it fun and educational.

August 1, 2, 3, 8, 9 & 10

4:00 to 5:00 PM: (*Beginner*) This will be for band students entering sixth grade who started their instrument in fifth grade or who have been playing an instrument with a private instructor for one year. This would include older students who may be starting a second (or third) instrument.

5:15 to 6:15 PM: (*Intermediate*) This second session would be open to band students entering grades 7 through 9.

Please encourage your band student to come and practice their music this summer and join in the fun. **The fee for participation is \$55.** Make the check to Town of North Kingstown and send to: Recreation Music, 100 Fairway Drive, North Kingstown, RI 02852.

Please register by **July 24th** so we will have appropriate music for all students.
